AKC Sports & Events Scent Work and Fast CAT!

AKC Sports & Events is having a banner year in entries and participations. Over 25,000 events will be held in 2022. This is up over 2,200 events from the previous high in 2019. Our total entries are projected to top 3.4 million, exceeding the previous high set in 2019.

Scent Work and Fast CAT are experiencing significant growth and Conformation, Rally, and many of the traditional field events are also experiencing notable growth.

As a positive indicator for the future, entries in the Beginner Puppy conformation class are up 30% from 2019. All of this to say, collectively there are more unique dogs engaged in AKC Sports & Events than ever before.

Thank you to the dedicated club members, judges, AKC Board and staff that are making this happen.

Sit 'n Stay

is a quarterly publication of Port Chester Obedience Training Club. Articles of interest to the membership are welcomed and encouraged. The editor reserves the right to edit all material in the interest of space constraints and appropriateness.

Sit 'n Stay is produced for online delivery.

President's Message

By the time you read this, the Sumer of 2022 will officially be over, and we will all be looking forward to the glorious colors of Fall, Thanksgiving, and the year-end holiday season.

First, I would like to thank the members of the Board for their willingness to pitch in and get things done quickly, for their enthusiasm, and for their dedication to working together.

I would also like to give a special thank you to the Instructors and volunteer members of PCOTC who banded together to fill the vacant time slots in our August schedule at the very last minute. Your talent and imagination really mattered in helping to stem the revenue bleed we anticipated for last month. Also, thank you to our Registration Team for their continuing efforts to provide a seamless registration process, so vital to our club.

It is taking a tremendous effort on everyone's part to bring this club back to its pre-COVID activity, but we feel we are on our way. Communication between club members has increased dramatically, special events are being held, meetings are now routinely being held via new in-person and remote venues, and we are truly happy to present this Sit 'n Stay as a way to acknowledge happy news, upcoming club events, new achievement awards and special messages from our Instructors.

THANK YOU to Kathie Jochen and her team for pulling this together and getting it out to the membership within the promised time.

Finally, I would like to request, again, that each and every one of our members thinks about what you can do for the club. We need all of you to help by giving of your time and talent. Please spread the word that Port Chester is on its way back!

– Kathy Gregory, president@pcotc.org

Welcome New Members!

Patti Cox - (Returning Member) Portuguese Water Dog

Denise DeVito - (Returning Member)

Nose Work & Scent Work

Looking for a fun activity that's easy on the dog and the handler? These relatively new sports only require one piece of equipment which you already have – a dog with a nose. It's up to you and your dog to learn how to take advantage of the dog's incredibly keen sense of smell and interest in investigating odors. Our classes will help to increase your admiration for your dog's natural abilities and help you and your dog develop the teamwork skills you need for competition.

Nose Work is administered by The National Association of Canine Scent Work (NACSW). Website: www.nacsw.net

Above and below: Sunday Nose Work class at the marina in New Rochelle

Scent Work is administered by the American Kennel Club (AKC). Website www.akc.org/sports/akc-scent-work/

For Scent Work eligibility, there are no testing prerequisites, but participation in Nose Work classes will teach you the skills you need. In Odor Search trials, four target odors (anise, birch, clove, and cypress) are used and the search areas may involve hides in interiors, exteriors, and containers, or buried in water or sand. Handler Discrimination trials involve the detection of objects handled by the owner.

Typically, a trial day has several types of searches at various levels of difficulty and teams can earn qualifying points or legs toward a title in each search which they enter that day.

2022 PA Nosework Camp

Great fun enjoyed by instructors and campers together!

First Row: Heather Emmel, Karen Reilly, David Eisenbacher, Barbara Napoli
Row Two: Helene Rubinstein, Kay Scott, Ashlin Cooke, Diane Anderson, Demetria DeSarno, Kathe Baxter

In Nose Work, our classes involve teaching your dog to recognize and indicate the presence of three target odors (anise, birch, and clove). The dog must pass the Odor Recognition Tests (ORTs) for each of the odors before being eligible to compete for higher titles in a trial. Each Nose Work trial is an all day affair in which you and your dog go hunting for one or more of those odors, which are on cotton swabs hidden in various locations. Each trial consists of four timed searches (containers, interior areas, exterior areas and vehicles). The number of hides increases at each level of difficulty and may even include distractors or blank areas at the level of NW3 or higher. Titles are awarded to successful teams at the end of each day.

Let's Rally!

Report by Fran Hellman

And that's just what we did!

On July 9, 2022, our club held its first Rally Match since the pandemic started. It was great to have had the opportunity to Match our dogs, especially since our trial was coming up in a few weeks. But the Match couldn't have run without the help of our amazing volunteers. Thank you so much! The Match ran very smoothly because of your help. It was so good to hear the nice complements that we received from the exhibitors.

We are thrilled to get back to holding trials again at our club! On July 30 we ran a successful trial. Our judge, Jean Nocilly, gave us fun and challenging courses. Nancy Field arranged for deliveries of breakfast and lunch for our volunteers, judge, and trial secretary. Thank you Nancy!

Rally Trial volunteers (left to right):
Rick Pisani, Kristin Morell, Caitlin Doody, Vera Corato,
CJ Wagenstein, Nancy Field, Fran Hellman

Top winner: Member Janet York and Jet
Excellent A: Member Fran Hellman and Rumor
Rally Advanced B: Member Rick Pisani and Disco

Bruce Sheffler and Luke

Joanne Sheffler and Luna

Carroll-Smith Rosenberg
and Georgie Girl

Congratulations to all qualifiers! Especially to our top winner, member Janet York and her Cavalier King Charles Spaniel, Piccadil's When You're a Jet. This team won Rally triple Q with a 300 and High Combined with a 200. Way to go Team Piccadil!!

Huge thanks go out to our diligent hard-working volunteers, Vera Corato, Caitlin Doody, CJ Wagenstein, Kristin Morrell, Ellen Gaw Emert, and Maureen Bordins. And huge thanks go out to our Trial Secretary, Teri Nolan who did a fantastic job! And finally special thanks go out to my co-chairs Rick Pisani and Nancy Field. Thanks for making the work for these events fun, and an enjoyable experience.
